B-1a=Ramoan Rocha

B-1b=Connie Putland

B-2a=Rocha filed a false complaint accusing me of misconduct and accusing me of being a physical threat to the students and staff of the University of Wisconsin Whitewater

B-2b=Putland refused to conduct a thorough investigation as to the complaint filed against me and denied me my "Due Process Rights" and a "Hearing" before I was Banned from the UWWhitewater and I was denied my "Due Process Rights" and a "Hearing" before I was Terminated from my position at UWWhitewater
ALSO

Putlands unprofessional approach to the fact that the "UWWhitewater Conduct Rules" that were suppose to be investigated did not resemble the alleged complaint in any way or form

November 2,2018*

*B-5a=I feel Rocha as a result of coworkers from
10 years previously that would sleep instead of
work during the 3rd shift at the University of
Wisconsin Madison and as a result of my
opinion that they were lazy *#* he waited
almost 30 days to say anything and it was a
vendetta to get me in trouble and even
terminated by his false accusation of my being a
threat to the safety and well being of the staff
and students of UWWhitewater*

*even though he did not know these people but
because they were the same ethnicity as Rocha*

*B-5b=I feel that this was a pretext to a
retaliation against me for an Internal Complaint
against a supervisor for harassment and
bullying towards me that even given the Law
was never investigated because with no previous
discipline issues in the 15 plus years with the*

University of Wisconsin System and above average annual evaluations in those same 15 plus years there was nothing to indicate the charges against me held any validity ALSO just 2 weeks previously I received a 10 year pin from the chancellor for my years of dedication and duty to the UWWhitewater's staff and students to be accused of such misconduct just 2 weeks later is hard to describe

I also feel that it was all a pretext to the retaliation complaint for the fact that Rocha ignored all the UWWhitewater Policies when he filed his complaint

The fact that Human Resources ignored all the University of Wisconsin System Board of Regents By-Laws and Policies that the UWWhitewater as an Institution is bound by Because of all of these inconsistencies in procedures the fact that shortly after my termination Rocha was promoted to Office Manager of Human Resources from custodian leads me to believe that there was serious dishonesty being directed at me
